## HEMISPHERES. STUDIES ON CULTURES AND SOCIETIES

### READER'S REPORT

Name of the reader:

Reg. number of the paper:

Title of the paper:

#### General evaluation of the paper (remark your choice):

**I. The paper submitted for review is, in my assessment:**

- a) an interesting contribution worthy of being published immediately with no further changes,
- b) an interesting contribution in principle albeit with some revisions (see Reader's comments),
- c) totally worthless or inappropriate for the Journal.

**II. Reader's comments (preferably on a separate piece of paper or as a doc. in MSWord):**
